LOI SUR L'AÉRONAUTIQUE

Règlement sur l'indemnisation en cas d'accident d'aviation

C.P. 1972-2613 9 novembre 1972

Sur avis conforme du président du Conseil du Trésor et du Conseil du Trésor, et en vertu de l'article 7 de la Loi sur l'aéronautique, il plaît à Son Excellence le Gouverneur général en conseil d'abroger le Décret sur le paiement d'indemnités dans les cas d'accidents d'aviation, pris par le décret C.P. 6538 du 29 décembre 1949[1], dans sa forme modifiée[2], et d'établir en remplacement le Règlement prévoyant une indemnisation en cas de blessures corporelles ou de décès résultant de vols entrepris dans l'exercice de fonctions, ci-après.

"civil aviation inspector" means an employee who is required to conduct flight tests to determine the competency of non-licensed student pilots and licensed pilots and to monitor commercial air operations;

"Commission" means the Canadian Pension Commission established by section 3 of the Pension Act;

"employee" means any person who is employed in the public service of Canada or under the direction of any department of the public service of Canada other than a member of the Royal Canadian Mounted Police who is a person described in paragraph 27(1)(a) or (b) of the Royal Canadian Mounted Police Superannuation Act;

"non-scheduled flight" means a flight in an aircraft that is not a private aircraft and that is not operated on a scheduled flight;

"private aircraft" means an aircraft used by an employee travelling on official government business and for the use of which he is reimbursed in accordance with the rates prescribed by the Treasury Board Travel Directive;

"scheduled flight" means a flight conducted under a published statement of frequency and time of departure and arrival and operated by a commercial air service utilizing commercial aircraft.

Payment of Compensation

3. (1) Subject to subsections (2) and (3) and section 4, where

(a) an employee dies or is injured as a direct result of a non-scheduled flight undertaken by him in the course of his duties, or

(b) a civil aviation inspector dies or is injured as a direct result of any flight undertaken by him for the purpose of conducting a flight test or monitoring commercial air operations on that flight,

compensation is payable for his death or injury in an amount equal to the pension that would have been awarded to or in respect of him in accordance with the rates set out in Schedule A or B to the Pension Act, whichever is applicable, as increased by virtue of Part V.1 of that Act, if his death or injury had arisen out of or was directly connected with military service in peace time.

(2) No compensation is payable under these Regulations for any death or injury in respect of which provision for the payment of compensation or a gratuity or pension is made by any other Act, unless the claimant elects to accept compensation under these Regulations instead of compensation or a gratuity or pension under any such other Act.

(3) No compensation is payable under these Regulations for the death or injury of an employee that was due to a self-inflicted wound or any action by him that endangered the safety of the normal process of the flight.

Where Compensation Recoverable Other Than Under These Regulations

4. Where a death or injury in respect of which compensation is payable under these Regulations is caused under circumstances creating a legal liability upon some person to pay damages therefor, if any amount is recovered and collected in respect of such liability by or on behalf of the person to or on behalf of whom such compensation may be paid, the Commission, for the purpose of determining the amount of compensation to be paid, shall take into consideration any amount so recovered and collected in the manner set out in section 5.

5. (1) Where one half of any amount recovered and collected as provided in section 4 is greater than the capitalized value of the compensation that might otherwise have been payable under these Regulations, no compensation shall be paid.

(2) Where one half of any amount recovered and collected as provided in section 4 is less than the capitalized value of the compensation that might otherwise have been payable under these Regulations, compensation in an amount that, if capitalized, would equal the difference between such amount and the capitalized value of the compensation that might otherwise have been payable under these Regulations, may be paid.

(3) If any amount recovered and collected as provided in section 4, or any part thereof, is paid to Her Majesty, compensation in an amount that, if capitalized, would equal the amount so paid but would not in any event be greater than the total compensation that, apart from this section, would be payable under these Regulations, may be paid.

Payment of Other Compensation

6. In addition to any compensation payable in accordance with section 3, compensation shall be paid, in respect of the funeral expenses of

(a) any employee who dies as a direct result of a non-scheduled flight undertaken by him in the course of his duties, or

(b) any civil aviation inspector who dies as a direct result of any flight undertaken by him for the purpose of conducting a flight test or monitoring commercial air operations on that flight,

in an amount equal to the amount that would otherwise have been payable in respect of such expenses under the Government Employees Compensation Act if the claimant had not elected to accept compensation under these Regulations and had made a claim under that Act.

Administration

7. Any claim under these Regulations shall be adjudicated by the Canadian Pension Commission and any compensation payable under these Regulations shall be paid by the Canadian Pension Commission.

REGLEMENT PREVOYANT UNE INDEMNISATION EN CAS DE BLESSURES CORPORELLES OU DE DECES RESULTANT DE VOLS ENTREPRIS DANS L'EXERCICE DE FONCTIONS

Titre abrégé

1. Le présent règlement peut être cité sous le titre: Règlement sur l'indemnisation en cas d'accident d'aviation.

Interprétation

2. Dans le présent règlement,

"aéronef" désigne toute machine utilisée ou conçue pour la navigation aérienne, mais ne comprend pas une machine conçue pour se maintenir dans l'atmosphère grâce à la réaction, sur la surface de la terre, de l'air expulsé par la machine;

"aéronef privé" désigne un aéronef utilisé par un employé en déplacement pour affaires gouvernementales officielles et pour l'emploi duquel il est remboursé conformément aux taux prescrits par la Directive concernant les voyages, qui émane du conseil du Trésor;

"Commission" désigne la Commission canadienne des pensions établie par l'article 3 de la Loi sur les pensions;

"employé" désigne toute personne employée dans la Fonction publique du Canada ou sous la direction d'un département de la Fonction publique du Canada, sauf un membre de la Gendarmerie royale du Canada qui est une personne visée à l'alinéa 27(1)a) ou b) de la Loi sur la pension de retraite de la Gendarmerie royale du Canada;

"inspecteur de l'aviation civile" désigne un employé chargé de faire subir les épreuves en vol en vue de juger de la compétence des élèves-pilotes non titulaires d'un permis et des pilotes titulaires d'un permis et de surveiller l'exploitation des services aériens commerciaux;

"vol non régulier" signifie un vol à bord d'un aéronef qui n'est pas un aéronef privé et qui n'est pas utilisé pour un vol régulier;

"vol régulier" signifie un vol effectué d'après un horaire publié de fréquences et d'heures d'arrivées et de départs, et exploité par un service aérien commercial qui utilise un ou des aéronefs commerciaux.

Paiement d'indemnités

3. (1) Sous réserve des paragraphes (2) et (3) et de l'article 4 dans le cas

(a) d'un employé qui décède ou est blessé en conséquence directe d'un vol non régulier entrepris par lui dans l'exercice de ses fonctions, ou

(b) d'un inspecteur de l'aviation civile qui décède ou est blessé en conséquence directe de tout vol entrepris par lui dans le but de faire subir une épreuve en vol ou de surveiller l'opération de services aériens commerciaux durant ce vol,

une indemnité est payable à l'égard de son décès ou de ses blessures, et le montant de l'indemnité est égal à la pension qui aurait été accordée à lui-même ou à son égard, conformément aux taux indiqués aux annexes A ou B de la Loi sur les pensions, selon le cas, augmentée en vertu de la Partie V.1 de ladite loi, si son décès ou ses blessures avaient été causés au cours de son service militaire en temps de paix ou avaient été reliés directement à un tel service.

(2) Aucune indemnité n'est payable en vertu du présent règlement à l'égard d'un décès ou de blessures pour lesquels une autre loi prévoit le paiement d'une indemnité, d'une gratification ou d'une pension, à moins que le requérant ne choisisse d'accepter l'indemnité payable en vertu du présent règlement, au lieu d'une indemnité, d'une gratification ou d'une pension prévue par l'autre loi.

(3) Aucune indemnité n'est payable en vertu du présent règlement à l'égard du décès ou des blessures d'un employé lorsque ce décès ou ces blessures ont été causées par l'employé lui-même ou sont la conséquence de l'un de ses actes par lequel il a mis en danger la sécurité du déroulement normal du vol.

Cas d'indemnisation autrement qu'en vertu du présent règlement

4. Lorsqu'un décès ou des blessures, pour lesquels une indemnité est payable en vertu du présent règlement, sont causés dans des circonstances qui imposent à une personne l'obligation légale de payer des dommages-intérêts, si, du fait de cette obligation, un montant

quelconque est obtenu et perçu par ou pour la personne à qui ou à l'égard de qui l'indemnité peut être payée, la Commission doit, afin de déterminer le montant de l'indemnité à payer, tenir compte du montant obtenu et perçu, selon qu'il est établi à l'article 5.

5. (1) Lorsque la moitié d'un montant obtenu et perçu aux termes de l'article 4 excède la valeur capitalisée de l'indemnité qui aurait pu être payée autrement en vertu du présent règlement, aucune indemnité n'est versée.

(2) Lorsque la moitié d'un montant obtenu et perçu aux termes de l'article 4 est moindre que la valeur capitalisée de l'indemnité qui aurait pu être payée autrement en vertu du présent règlement, il peut être versé une indemnité dont le montant, s'il était capitalisé, équivaudrait à la différence entre ce montant et la valeur capitalisée de l'indemnité qui aurait pu être payée autrement en vertu du présent règlement.

(3) Si un montant obtenu et perçu aux termes de l'article 4 ou une partie de ce montant, est payé à Sa Majesté, il peut être versé une indemnité dont le montant, s'il était capitalisé, équivaudrait au montant ainsi payé mais ne serait en aucun cas supérieur à l'indemnité totale qui, sans tenir compte du présent article, serait payable en vertu du présent règlement.

Paiement d'autres indemnités

6. En plus de toute indemnité payable en vertu de l'article 3, une indemnité est versée au titre des frais de funéraires

a) d'un employé qui meurt en conséquence directe d'un vol non régulier qu'il a entrepris dans l'exercice de ses fonctions, ou

b) d'un inspecteur de l'aviation civile qui décède en conséquence directe de tout vol entrepris par lui dans le but de faire subir des épreuves en vol ou de surveiller l'opération de services aériens commerciaux durant ce vol,

cette indemnité étant d'un montant égal à celui qui aurait été payable autrement à l'égard de tels frais en vertu de la Loi sur l'indemnisation

des employés de l'Etat, si le réclamant n'avait pas choisi d'accepter une indemnité en vertu du présent règlement et avait présenté une réclamation en vertu de ladite loi.

Application

7. La Commission canadienne des pensions doit juger toute réclamation faite en vertu du présent règlement et verser toute indemnité payable en vertu de ses dispositions.

WHEREAS the Minister of Transport reports as follows:

That to provide lands required for relocation of the Department of Transport's back beam marker site at Moncton, New Brunswick, the University of Moncton has agreed to convey to the Crown, the land in question consisting of 0.9 of an acre being a parcel of land in Zone 5, No. 24 in the City of Moncton, County of Westmorland, for the sum of $20,000 subject to the condition that when the land is no longer required for a navigational aid, it will be returned to the University for the sum of $5;

That the New Brunswick Telephone Company will bear the expense involved as it was responsible for the relocation of the Department's facility which was originally located on Katherine Avenue in Moncton, New Brunswick and which if allowed to remain in place, would interfere with the existing New Brunswick Telephone Company's microwave circuitry;

That the relocation costs of the facility alone amounted to $47,200; and

.../2

That in lieu of outright purchase, the University of Moncton had indicated that it was prepared to lease the land to the Crown for the period of 20 years with $15,000 being paid upon signing of the lease, and $500 annually thereafter. However, it was the wish of the appropriate officials of the Department of Transport that they have outright title to the property and the price being paid to the University represents the present worth of the Lease interest and it is accordingly recommended for acceptance.

THEREFORE, HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, on the recommendation of the Minister of Transport, is pleased hereby to authorize payment of the sum of $20,000 to the University of Moncton for the acquisition of the aforementioned parcel of land, subject to the condition that if, and when it is no longer required by the Department of Transport for a nagivational aid, it will be reconveyed to the University for the sum of $5.

WHEREAS the Secretary of State for External Affairs reports as follows:

That representatives of Canada, the other government and the international institutions which are members of the Pakistan Consortium have carried out discussions concerning Pakistan's unilateral debt moratorium and have agreed to provide debt relief in the order of $234 million;

That Canada's share of the proposed joint program of debt relief can be provided by

(a) the postponement for two years of principal payments amounting to $6,544,664.87 due between May 1, 1971 and June 30, 1973 on loans made under Section 29 of the Export Development Act, and

(b) a cash grant of $375,000 to reduce the effective rate of interest on the rescheduling to approximately 4.32%.

That authority exists under section 29 of the Export Development Act to re-schedule debts and vary the provision for payments contained in any agreements entered into under the provisions of that section of the said Act; and

.../2

That authority also exists under External Affairs Vote 33d of Appropriation Act No. 2, 1965, as amended, to make payments, subject to the terms and conditions approved by the Governor in Council, out of the Special Account established thereby to a developing country for economic assistance, and that sufficient funds are presently available in such Special Account.

THEREFORE, HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, on the recommendation of the Secretary of State for External Affairs, is pleased hereby to authorize payment out of the Special Account established by Vote 33 of Appropriations Act No. 2, 1965 as amended, to the Government of Pakistan through the Export Development Corporation in the amount of $375,000 as economic assistance, subject to the following terms and conditions:

(a) That the Government of Pakistan will, on postponement by Canada for two years of principal payments totalling $6,544,664.87 due between May 1, 1971 and June 30, 1973 on loans made to Pakistan under section 29 of the Export Development Act, agree that the said payment may be applied to offset interest payments Pakistan would have to make on the deferred principal through the period of post-ponement; and

(b) That the above-mentioned postponement of principal and payment of interest by Canada will be considered Canada's full contribution to the short term debt relief as proposed by the Pakistan Aid Consortium; and

to authorize also the conclusion by Canada of such appropriate arrangements with the Government of Pakistan as may be necessary to encompass this payment and the conditions appertaining thereto.
